INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Chess for Success
Portland, Oregon

We have audited the accompanying financial statements of Chess for Success (a non-profit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chess for Success as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited Chess for Success's 2018 financial statements, and we expressed an unmodified opinion on those financial statements in our report dated December 17, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

CHESS FOR SUCCESS

NOTES TO FINANCIAL STATEMENTS

June 30, 2019

NOTE A – DESCRIPTION OF ORGANIZATION

Chess for Success (“CFS”) is a nonprofit organization which was organized in the state of Oregon in 1996 and later combined with the Portland Chess Project. Its mission is to help children develop skills necessary for success in school and life by learning chess. Primarily funded by grants and contributions, CFS provides after-school chess clubs for children in elementary and middle schools in Oregon. CFS also organizes annual elementary, middle and high school chess tournaments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

CFS reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, the net assets of CFS and changes therein are classified and reported as follows:

- **Net Assets Without Donor Restrictions** – Net assets that are not subject to donor-imposed stipulations. The Board of Directors may designate net assets without donor restrictions for specific purposes.
- **Net Assets With Donor Restrictions** – Net assets either subject to donor-imposed stipulations that will be met either by actions of CFS and/or the passage of time, or net assets with restrictions that are not subject to appropriation or expenditure.

Expenses are reported as a decrease in net assets without donor restrictions. Gains and losses are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expiration of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions. Contributions received with donor restrictions that are met in the same reporting period are reported as increases in net assets without donor restrictions.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents represent deposits in checking, savings, and money market accounts. CFS considers any investment securities with an original maturity of three months or less to be cash equivalents.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Grants and Contracts Receivable

Grants and contracts receivable are recorded monthly as the related services are provided and billed. Management periodically assesses the need for an allowance for doubtful accounts based on historical experience and existing conditions affecting probable collection.

Receivables are considered impaired if unpaid balances are not received in accordance with the contractual terms. It is CFS's policy to charge off uncollectible receivables when management determines the receivable will not be collected. Management has determined that an allowance for doubtful accounts was not necessary as of June 30, 2019. Grants and contracts receivable older than 90 days as of June 30, 2019 were insignificant.

Furniture and Equipment

Acquisitions of furniture and equipment in excess of \$750 are capitalized. Capitalized items are recorded at cost if purchased or at fair value at the date received as a donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets, which range from five to seven years. Expenditures for maintenance and repairs are charged to expense as incurred.

Income Taxes

CFS has been approved as a tax-exempt organization under the Internal Revenue Code 501(c)(3) and applicable state laws. Accordingly, no provision for income taxes is included in the accompanying financial statements. CFS has no unrecognized tax benefits and does not believe it has unrelated trade or business income in excess of \$1,000.

Contributions

Contributions are recognized when the donor makes a promise to give to CFS that is, in substance, unconditional. Contributions are classified as without donor restrictions unless the contribution has been restricted to a specific purpose by the donor. Non-cash contributions are valued at their fair value at the time of donation.

Contributed Services and Materials

The value of contributed services and materials meeting the requirements for recognition are recorded in the financial statements at their estimated fair value as support without donor restrictions, unless the donor restricts the donated asset to a specific purpose. Additionally, a number of volunteers have donated a significant number of hours to CFS. Although these services do not meet the criteria for recognition under generally accepted accounting principles, they are integral to the mission of CFS.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The cost of providing various programs and activities has been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among the program and support services benefited based upon management's best estimate of time and effort. Costs which are readily identifiable are charged directly to each functional area.

Prior Year Summarized Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by natural expense classification by function. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with CFS's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

NOTE C – CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject CFS to concentrations of credit risk consist principally of cash and receivables.

CFS maintains bank deposits with financial institutions that are insured by the Federal Deposit Insurance Corporation up to \$250,000. There were no uninsured balances at June 30, 2019. CFS has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk with respect to cash and cash equivalents.

CFS's receivables consist primarily of contractual billings with two government agencies and are unsecured. Such receivables are generally due within 30 days. CFS has not experienced any losses on these accounts.

Contract revenues from the government agencies totaled approximately \$123,000 in the year ended June 30, 2019, which constitutes approximately 24% of total revenues.

NOTE D – RELATED PARTY TRANSACTIONS

As of June 30, 2019, contributions from employees and board members of CFS for the year totaled \$33,580.
